

PLANNING AND DEVELOPMENT COMMITTEE

REPORT (Minutes) of the Planning and Development Committee relating to the inspection of planning applications and other planning related matters, held at the Fleur de Lys Council Chambers, Market Square, Hailsham on Tuesday 27th September 2011 at 7.00 pm.

Prior to commencement of formal business, a period of not more than 15 minutes was assigned for the purpose of permitting members of the public to address the Committee or ask questions (on matters relevant to the responsibilities under direction of this Committee) at the invitation and discretion of the presiding Chairman.

Mr Pilgrim, of 42 Mountain Ash Close, spoke against the application for a foodstore in the Car Park to south of the Quintins Shopping Centre, North Street, Hailsham. He referred to a letter he had received from the Prime Minister and considered that planning works best when communities have the opportunity to influence planning decisions. Mr Pilgrim requested the Town Council do not support the application, in light of the strength of public objections against the application, which were heard at the recent public consultation evening.

Planning Applications 11/1/96-110 (appended hereto)

Sixteen plans were considered.

96 WD/2011/0407/MAJ - Car Park to south of the Quintins Shopping Centre, North Street, Hailsham

Hailsham Town Councils comments for the above application are as follows:

Public opinion, including members of the Chamber of Commerce, is strongly against this development and Hailsham Town Council is also opposed in principle. Should the development be approved by Wealden District Council the Town Council consider the current design is preferable to the original.

The Council has grave safety concerns over the intended access point from North Street into this development due to the build up of traffic which will be caused by this access and the impact on other road users. We would prefer the alternative exit point from the undercroft car park to be incorporated into the design. Any alterations to sight lines should be incorporated by the developer.

The Town Council would request the following conditions be placed:

- i) delivery times to the store to be between 6.30 am to 7.30 am and 7.30 pm to 10.00 pm.
- ii) minimum disruption to be caused to St Mary's Walk shops and their deliveries in the development phase
- iii) the car park is completed prior to the commencement of the construction of the main building
- iv) a pelican crossing is placed from North Street to the proposed development

97 WD/2011/0408/CAC – Car Park to south of the Quintins Shopping Centre, North Street, Hailsham – conservation area consent

The Town Council strongly objects to the infringement of this development on the conservation area.

This application is in breach of conservation regulations for this area. The Town Council are outraged that Wealden District Council is flaunting the conservation issues and insist the Wealden Conservation Officer liaise with the Town Council regarding these concerns prior to any development taking place. We strongly oppose the loss of a building which is part of the heritage of Hailsham and sits within the conservation area

All members voted unanimously against the applications WD/2011/0407/MAJ and WD/2011/0408/CAC. Councillor B. Marlowe had declared an interest and did not vote on either of the applications and took no part in the discussions.
