FOR IMMEDIATE RELEASE:

Full Steam Ahead for Hailsham Summer Market

3 July 2017

The countdown is on to Hailsham's Summer Market which takes place in the town centre on Saturday 29th July from 9.30am until 4pm.

Further preparations for the event have been made by the Town Council's Communities Committee in partnership with Hailsham Forward, and organisers are confident that it will be a great family event offering something for everyone.

Vicarage Field will be home to the usual Saturday street market stalls selling a range of locally sourced food, as well as gifts and accessories.

Harvey's of Lewes will attend the event providing a beer tent and selling wines, and there will be an outdoor seating area and music throughout the day.

Historic Hailsham Parish Church will be open to welcome visitors and serve refreshments, and Hailsham FM will be broadcasting the event live.

Deputy Town Mayor and Chairman of the Town Council's Communities Committee Councillor Amanda O'Rawe said: "We've been working hard on the Summer Market and the arrival of Harvey's of Lewes on the day demonstrates how our town centre is very much open for business by giving people the opportunity to sample some locally sourced products. It will also bring variety and vibrancy to the town centre!"

Communities Committee Vice-Chairman Councillor Chriss Triandafyllou commented: "The range of stalls and products offered at the forthcoming Summer Market is diverse and I hope that as many people as possible will come along and take advantage of what's on offer."
