"Whilst only some of the arrangements are in place, we are confident that the summer events organised by the Town Council will be well received by the public and offer fun for residents and visitors alike."

Deputy Town Clerk and Business Enterprise Manager Mickey Caira commented: "This year's summer community events will bring energy and atmosphere to the town and our main aim is to work with partner organisations to establish community led festivities which benefit the residents of Hailsham, whilst supporting local traders and increasing the footfall in the town during the summer period."
