

Hailsham
TOWN COUNCIL

FOR IMMEDIATE RELEASE:

More Friday Night Project Activities for Young People

4 March 2019

Hailsham Town Council's youth services continue to benefit young people aged 11 to 17, providing them with access to a wide range of opportunities and activities throughout the year.

The Friday Night Project (FNP), which is funded by Hailsham Town Council and the Safer Wealden Partnership, works in partnership with organisations such as Hailsham Community College, Sussex Police and Knockhatch to help create recreational activities for young people on Friday evenings and will continue to be a feature on their social events calendar during the spring months.

A variety of activities have been planned in the coming months including dry-slope skiing, at Knockhatch Ski Centre (skiing lessons for beginners available), go-karting at Knockhatch Adventure Park and ten-pin bowling at Freedom Leisure, as well as trampolining at Urban Jump in Heathfield.

Andy Joyes, Youth Project Coordinator at Hailsham Town Council said: "The Friday Night Project outings are organised to help prevent and reduce antisocial behaviour among young people."

"Through organising such activities, young people are provided with opportunities to build confidence and develop a broad range of team-building skills that will help create a strong foundation for their future. I would encourage young people to take advantage of the outings that are available to them and get involved."

"Thanks must go to all Friday Night Project partners, in addition to the Safer Wealden Partnership for its funding throughout."

Hailsham Town Council's youth services, including the Friday Night Project, have recently benefited from the securing of funding from the Safer Wealden Partnership for the purchase of a minibus. The minibus is now available to all local youth groups to hire. Please call 01323 841702 or email enquiries@hailsham-tc.gov.uk for further details.

For information on activities and bookings visit www.hailshamyouthservice.org.
