

FOR IMMEDIATE RELEASE:

Hailsham Community Groups Invited to Next Forum

23 September 2019

Are you a local community group or charity and wish to benefit from sharing experiences and ideas with other local groups?

The Hailsham Community Forum is always looking for community groups, associations and charities in the area to exchange ideas, learn from each other, network and collaborate.

They have speakers from voluntary services organisations, grants advisors and other charities. The group continues to build communication networks and create a louder voice with other voluntary and statutory groups.

The long-term benefits of joining the Forum could be cost savings through group negotiating power with printers, suppliers, donations and local businesses, sharing resources like gazebos and tables and more.

Several groups have already benefited from the forum by taking stalls at the Hailsham Street Market, collaborating to fundraise together and collectively promoting and raising awareness of their organisations.

The Forum meets monthly and is made up of around 30 community organisations including Hailsham Active, Hailsham Harriers, Computers For Charities, Hailsham Bonfire Society, Hailsham Lions, Hailsham Choral Society, the Now! Charity, Demelza Hospice Care For Children, Hailsham Allotment Society, Hailsham & District Flower Club, Healthy Walks Group and Hailsham Foodbank. They have recently introduced a regular newsletter and speakers.

"The Hailsham Community Forum has grown since its launch with new groups being represented every month," said Deputy Town Clerk and Business Enterprise Manager Mickey Caira.

"We are looking for additional members that can include local community groups, voluntary organisations, charities, parent/teacher groups and residents' associations among others, to share information on developments of interest including new funding opportunities, in addition to enabling partnership working with other organisations."

Forum organiser Jenny Seale said: "These community meetings are a good opportunity to network, seek help on fundraising, project work and other matters and feed off each other's ideas. The Forum brings together voluntary groups and helps give us an insight into the needs of the local community."

"Over the next few months we will be planning our annual 'What Can I Join In Hailsham?' event which will be taking place on the last Saturday of January 2020, as well as learning how to market our individual events and listening to more detailed presentations about the groups and what they do including updates from Hailsham's Volunteers Bureau."

The next forum meeting will take place at 6.30pm on Monday 7th October at the Hailsham Parish Church lounge. Additional meetings have been scheduled for Tuesday 5th November and Wednesday 4th December.

If you are interested in attending, contact Hailsham Town Council on 01323 841702 or by email: enquiries@hailsham-tc.gov.uk.
