

HAILSHAM TOWN COUNCIL

Hailsham Town Council has a small area set aside for the interment of the cremated remains of pets. A pet is defined as a domesticated animal kept for companionship.

Hailsham Town Council reserves the right to refuse an interment.

Please note that the interment of animals is not permitted anywhere else in the cemetery.

The plots will be 12" x 12" and will cost £99.00 per plot. You may place a small marker with your pet's name and date of death only. Families wishing to add a small marker/memorial plaque showing a pet's name and date of death may do so at their own expense. Size restrictions apply.

A second pet can be interred in the same plot at a cost of £99.00 with the plot holder's permission.

Hailsham Town Council will provide a certificate of ownership.
