- **Section 3 - External Auditor Report and Certificate**
- **Sections 1 and 2 of AGAR** including any amendments as a result of the limited assurance review. It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

*for a complete list of bodies that may be smaller authorities refer to schedule 2 to the Local Audit and Accountability Act 2014.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2024/25

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2025.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- You must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chair, and provide relevant authority owned generic email addresses and telephone numbers.**
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers all the bank accounts. If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not **fully** explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2024) equals the balance brought forward in the current year (Box 1 of 2025).
- The Responsible Financial Officer (RFO), on behalf of the authority, **must** set the commencement date for the exercise of public rights of 30 consecutive working days which **must** include the first ten working days of July.
- The authority **must** publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor **before 1 July 2025**.

Section 3 – External Auditor's Report and Certificate 2024/25

In respect of

Hailsham Town Council – ES0044

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2024/25

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has confirmed that it has not complied with the governance Assertions in Section 1, Boxes 2 and 5, but it has not provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address weaknesses identified. This is consistent with the internal auditor's response to internal control objective C.

One of the bank statements submitted in support of the bank reconciliation and Section 2, Box 8, is dated 28 March 2025 and not 31 March 2025. There is no evidence to suggest there are any transactions through the account between the statement date and the year end date.

3 External auditor certificate 2024/25

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.

Explanation of Assertions in Boxes 2 & 5 of the Annual Governance Statement 2024/25

Box 2. Throughout 2024/25 a sound system of internal control was in place with a basic purchase order system, good separation of duties between the RFO and Finance Assistance in the processing of income and expenditure including data entry and the setting up of payments and a dual signatory authority on the Council's bank accounts. Financial reporting to Council was undertaken on a quarterly basis with supporting documents, including bank statements, provided in corroboration. However, 2024/25 was a period of disruption for Hailsham Town Council, encompassing the implementation of the staffing review (carried out in 2023) recommendations, a review of the Committee structure and sickness absence and resignations within the Finance Team. Consequently, although three Councillors were appointed to undertake the Annual Review of Internal Control [ARIC] at the Finance & Governance Committee meeting of Wednesday 23rd October 2024 (Min. No. FBR/24/3/20), the meeting date was never confirmed. The outgoing RFO left on 16th December 2024 with the incumbent starting on the same date. The Finance Assistant then left HTC on 21st February 2025 with the replacement not starting until 24th March 2025. These staff pressures, combined with the change in responsibilities between committees meant that the omission of the ARIC was not flagged up until after the 31st March 2025 had passed. The Council has therefore answered 'no' in Box 2.

Box 5. Throughout 2024/25, Hailsham Town Council met its responsibilities towards risk assessment and management, with activity-based risk assessments in place and risk reports provided by the RFO to support council decision making from December 2024 onwards. Internal controls for the management of financial risks were in place with greater internal control for other areas of risk, such as business resilience, strengthened by the creation of a senior management team with specific responsibilities. A comprehensive insurance policy, covering all Council's activities, was in place with a review taking place in June 2024. A review of the Council's committee structure led to the creation of the Finance and Governance Committee, with direct responsibility for policy setting. The disruption experienced in 2024/25 and referenced in the paragraph above, meant that the overarching Risk Management Policy, previously reviewed by Full Council on 24th January 2024 (Min No. HTC/23/04/220/214), was not pulled through to either of the Full Council or Finance & Governance Committee meetings scheduled for January 2025. The Council has therefore answered 'no' in Box 5.

Mitigation 2025/26 onwards

The Council accepts that this is inadequate and has taken steps to ensure the failure to complete the Annual Governance Statement must not re-occur. The RFO has produced a Committee Work Programme for the Finance & Governance Committee for the 2025/26 Council year (attached), detailing key financial and governance documents for review to ensure that these matters are added to agendas in a timely way so that the Council can meet its obligations and responsibilities. This document was adopted by the F&G Committee at its meeting on 4th June 2025 and has already been diarised for review in April 2026. The Work Programme approach is being put in place across all Committees and will form part of a new Scheme of Delegation.
